

Appeal

Prof. Lakhon Kma, your independent candidate for the Lok Sabha Election 2024 from the Shillong Seat

Motto: To work for inclusive growth of Meghalaya.

Vision: To build a new Meghalaya. To achieve this, East Khasi Hills, West Khasi Hills, South West Khasi Hills, Eastern West Khasi Hills, East Jaintia Hills, West Jaintia Hills and Ri-Bhoi districts and the rest of Meghalaya should flourish into an overall developed and self-sufficient one where people living in the villages and small towns have a regular source of income which can result in overall well-being. Every village should be self-sufficient in the next 10-20 years.

Mission:

1. Revamping of Education sector especially at Primary and Middle school levels.
2. Revamping of the Health Care system, with particular focus on PHCs and CHCs.
3. Maximum employment for locals and Meghalayans in all Central government offices in Meghalaya in Group B and C posts; and preference for locals and Meghalayans in Group A posts.
4. Immediate demand for setting up of CUET centres across the State so that our students will not suffer and denied of higher education.
5. Border disputes, uninterrupted power supply, proper training facilities for our sports persons and athletes, alternate bridge over Umiam lake, scholarships for meritorious students and those at the lower strata of the society, etc are at the top of my agenda.

6. Focus on lucrative industries such as pharmaceuticals, food processing, herbal medicines, etc. with a huge potential of generating employment and sustainability with a balance with the natural ecosystem.
7. 'Zero-tolerance policy' on corruption and corrupt practices which is the root cause of underdevelopment at every sphere of life.
8. Social security measures for taxi drivers, hawkers, daily wage labourers, etc. with low income.
9. Recognition of Khasi language under 8th Schedule of the Constitution.
10. Better connectivity in land or through the air.
11. Better roads and rural infrastructures to bring villages at par with the rest of the State.
12. Protection of environment and more importantly, the water bodies.
13. Upscaling of eco-tourism for employment generation and sustainable utilization.

Vote for me and make me the voice of the youths of Meghalaya inside the Parliament and in the State.
