

## 'Illegal' appointment: JAC may move...

(Contd from P-1) Kma said in the last press conference, the VC had quoted clause 6 b of the UGC Model CRR to claim that Prasad's appointment was genuine as it was approved by the Executive Council of NEHU.

"The quotation made by the VC is half-baked as the UGC Model CRR clearly stated that appointment should be done only by the Selection Committee after advertisement for the same has been published in the newspaper," Kma said.

Stating that even the President of India has to follow procedures, he asked if the VC is above the President.

"We condemn this act and statement of the VC where he claimed that he has followed the rules," he said.

The JAC chairman slammed the VC for claiming that Prasad contributed in the successful implementation of National Education Policy (NEP) 2020.

"We would like to clarify that the contribution of Prasad in the implementation of NEP is zero. It was due to the contribution of the teachers and everyone in the university that NEP was successfully implemented at the PG-level. We will slowly unravel the reason as to why the VC appointed Prasad by not following the necessary procedures," Kma added.

## JAC threatens to move HC against rule violation by NEHU VC

STAFF REPORTER  
SHILLONG

The Joint Action Committee (JAC) of NEHUTA, NEHUNSA and NEHUSA on Wednesday threatened to seek the Meghalaya High Court's intervention in the alleged violation of the UGC Model CRR (Cadre Recruitment Rules) by the University's Vice-Chancellor, Prof PS Shukla.

Addressing the media, JAC chairman Prof Lakshon Kma said that the VC was trying to defend the indefensible.

"The illegal appointment of Rohit Prasad (as technical officer/senior consul-

JAC chairman Prof Lakshon Kma

tant) has no backing by any statutory provisions of NEHU and is a blatant violation of UGC Model CRR," he said.

On November 4, Prof Shukla had claimed that the appointment of Rohit Prasad was made after taking the approval of the university's executive

council (EC).

Shukla said that the VC was the appointing authority for temporary appointment to all Group A/Group B posts. The appointment of Rohit Prasad is not permanent and it will also be coterminous with the vice-chancellor.

Prof Kma, however, said that the statement of the VC was "full of lies" to mislead the stakeholders of the university and the public at large adding that the JAC may also be

compelled to approach the Meghalaya High Court for its intervention in this matter.

Prof Kma alleged that the VC had cited clause 6 (b) of the UGC Model CRR to claim that the appointment of Prasad was genuine as it was approved by the executive council of the university.

"The statement made by the VC is half-baked as the UGC Model CRR clearly stated that appointment should be done only by

the selection committee after advertisement for the same has been published in the newspaper (which was not followed in this case)," he added.

Further, the JAC chairman said that they have also decided to write to the President of India and Meghalaya Governor for their necessary intervention in the gross violation of the UGC Model CRR by the VC.

"The JAC will sit and chalk out our next course of action tomorrow (Thursday) on how to go ahead with our agitation and decide to approach the court for addressing our grievances," he added.

## 'Garo among languages waitlisted for inclusion in Eighth Schedule'

STAFF REPORTER  
SHILLONG

Cabinet Minister Marcuse N Marak on Wednesday said the Meghalaya Democratic Alliance government under the leadership of Chief Minister Conrad K Sangma was continuously pursuing with the Centre for immediate inclusion of Garo and Khasi languages in the Eighth Schedule to the Constitution.

Marak informed reporters that the chief minister was serious about resolving the issue. "In fact, the Home secretary also said that every time the chief minister went to Delhi, he would try to drop in there and enquire so that pressure is on. He had also met the Union Home minister several times," Marak told reporters.

Marak was part of the delegation led by NPP's Tura MP Agatha K Sangma and Speaker Thomas A Sangma which met the Ministry of Home Affairs (MHA) officials to follow up on the status of the proposal for inclusion of Garo language in the

(ALS) was also present. The minister informed that the MHA joint secretary had informed the delegation that Garo language is also one among the 38 languages, which are waiting for the consideration by the Centre.

However, a Union Home ministry notification had earlier listed Angika, Banjara, Bazika, Bhojpuri, Bhoti, Bhotia, Bundelkhandi, Chhattisgarhi, Dhatki, English, Garhwali (Pahari), Gondi, Gujjar/Gujjari, Ho, Kachachi, Kamtapuri, Karbi, Khasi, Kodava (Coorg), Kok Barak, Kumaoni (Pahari), Kurak, Kurmali, Lepcha, Limbu, Mizo (Lushai), Magahi, Mundari, Nagpuri, Nicobarese, Pahari (Himachali), Pali, Rajasthani, Sambalpuri/Kosali, Shaurseni (Prakrit), Siraike, Tenyidi and Tulu as the 38

omitted or deleted any language which has applied for inclusion in the Eighth Schedule. Accordingly, the joint secretary of MHA has assured us that he will send the letter that it (Garo language) is already there in the list for consideration and that you don't have to worry and the letter will be sent to the ALS and chief minister as well," he said.

When asked, Marak said that the decision on the matter will be taken by the Centre. Marak also said the delegation had also tried to meet Union Home Minister Amit Shah for his intervention but could not because he was busy visiting neighbouring states.

The minister also said since the confusion has been resolved,

## Govt proposes HPC talks on Nov 15-16

STAFF REPORTER  
SHILLONG

The state government has decided to invite the Harijan Panchayat Committee (HPC) for discussion on the proposed relocation of residents of Harijan Colony from their Iew Mawlong on November 15 or 16.

This was informed before the Meghalaya High Court during a hearing on the matter here on Wednesday.

In its order, the division bench comprising Justice V Diengdoh and Justice B Bhattacharjee said the attorney general (AG) has submitted that a proposal has come from the state

a meeting so as to resolve the dispute or any pending issues between the parties once and for all.

In this regard, the AG has also submitted that the proposed meeting is slated to be held either on

respondents are unable to attend the meeting on those dates, it may propose other dates to allow the parties to meet and amicably settle such issues.

The bench said that

would allow the parties to meet as proposed.

"The outcome of the meetings is to be informed and placed before this court in the form of a report. Accordingly, this matter is now listed to be heard in the first week of December," it added.

On September 29, the state government had informed the high court that it had agreed to increase the individual plot sizes as requested by the residents of the Harijan Colony.

It may be mentioned that the government in its blueprint has proposed to relocate the 342 families to the plot of land belonging to
