# NEHUTA threat to seek VC ouster

■ STAFF REPORTER  
SHILLONG

The North Eastern Hill University Teachers' Association (NEHUTA) has threatened to demand ouster of Vice-Chancellor Prabha Shankar Shukla if he does not convene a meeting of the Academic Council (AC) soon.

On Thursday, NEHUTA along with the Meghalaya College Teachers' Association (MCTA) and North Eastern Hill University Students' Union (NEHUSU) and Khasi Students' Union, NEHU unit organised a rally and dharna in front of the vice-chancellor's office against his alleged "wrongdoings".

The protest started with a gathering at the central library followed by a silent march towards the vice-chancellor's office, where a dharna was staged.

The NEHUTA said that in view of his functioning in a unilateral and dictatorial manner by misusing his power as the vice-chancellor, and to save NEHU and its statutory bodies like the Academic Council from blatant violations and degradation in the academic interest of the university, its affil-

ated colleges, students and the university fraternity as a whole, are intensifying their agitation against him.

NEHUTA president Lakhon Kma said that the vice-chancellor's wrongdoings are blatant in nature. Addressing the gathering Kma said, "We as teachers, as students, as stakeholders of NEHU are all there to protect our rights as a university, as a member of the Academic Council."

According to him, the NEHUTA will not set any more deadlines for Shukla to act and it will decide on the next course of agitation within a week or ten days.

He said that the statutory provision of the Academic Council cannot be ignored.

The NEHUTA president said that the rule book has to be followed and it says that, if one-third of members (in this case more than 50 per cent has done so) has requisitioned for the meeting of the Academic Council in no way can it be ignored.

Kma said that since Shukla has ignored all the democratic approaches of the NEHUTA it has no choice but to resort to dharna.

According to NEHUTA, in their opinion, the university has been the worst kind of vice-chancellor

in Shukla in decades who is "illogical, arrogant and insensitive and ready" to violate all well-established procedures and NEHU Act, statutes, ordinances and regulations so openly to suit his ego.

"However, we as an association and the university fraternity have to do everything possible to put an end to it," the teachers' association said.

NEHUTA said that they are fighting against all his wrongdoings and also to protect their own legitimate rights as members of the Academic Council which the vice-chancellor has tried to trample.

"If we allow it, it will set a dangerous precedent, emboldening the vice-chancellor to violate all statutory provisions on different matters concerning our well-being as university fraternity," Kma said. Those present at the rally and dharna carried placards which read, "Respect autonomy of AC and NEHU", "Do not use NEHU as a stepping stone", "Don't bulldoze AC", "Stop misleading colleges", "By undermining Academic Council FYUP is null & void".
