## NEHU teachers up the ante on VC

**By Our Reporter**

SHILLONG, Oct 12: The North-Eastern Hill University Teachers' Association (NEHUTA) has threatened that it will demand the resignation of Vice Chancellor, Prabha Shankar Shukla if he fails to convene an emergency meeting of the Academic Council (AC) to discuss the stalemate surrounding the implementation of National Education Policy (NEP) at the earliest.

"We will not set any more deadlines for the VC to act. We will decide on our next course of agitation within a week or ten days," NEHUTA president, Lakhon Kma said, addressing a protest rally held at the university here on Thursday.

He said they had to make this decision as the VC has not responded to the democratic process which they followed by asking him to rectify his decision on implementing NEP without approval from the AC.

He said the NEHUTA will decide on the next move together with Meghalaya Col-

lege Teachers' Association (MCTA) and North-Eastern Hill University Non-teaching Staff Association.

According to Kma, they will not hesitate to demand the VC's resignation if the latter continues to remain adamant. He stressed that the VC will need to make the rectification since one cannot decide on academic matters by sitting in one's office.

"The NEP is an academic policy. The AC is supreme to decide on NEP. The rules are very clear that the VC has no other option but to convene a special or emergency meeting of the AC if one-third of the members wants it. We had 100 signatures favouring the emergency meeting of the AC," he said.

Kma said the VC cannot run the university as his enterprise and function like its CEO.

"We do not want to have a VC who is arrogant, insensitive and illogical. We hope some good sense prevails and the VC will realise the need to rectify his decision which will be in the best interest of the students and the univer-

sity," he said.

The NEHUTA president further stated that the VC cannot undermine the statutory authority of the university and the AC is supreme when it comes to academic matters.

"The AC decided that NEP should be implemented from 2024-2025. But this decision was never reflected in the minutes. In fact, only five members of the AC had raised their hand to support the move to implement NEP from the current session," Kma said.

He alleged that the members of AC were backstabbed as the VC had announced before the media that the university decided to implement NEP from the current session.

Kma alleged that the VC is playing with the future of the students by allowing this issue to drag on. He said they had communicated to the VC that their focus is not on rolling back NEP, but fixing the procedural errors in order to proceed for the benefit of the undergraduate students.

## HANM to demonstrate at New Delhi

**Staff Reporter**  
Shillong, Oct 12: The Hymnawtrep National Achik Movement (HANM) will organise a sit-in demonstration at Jantar Mantar, New Delhi on November 1, to pressurise the Centre for immediate fulfilment of the long pending aspirations of the people of Meghalaya.

HANM president Lanyphing Kharbari has informed that over 100 members of the organisation will be participating at the sit-in demonstration.

He said the HANM is demanding the Centre to immediately include Khasi language in the Eighth Schedule to the Constitution of India, implementation of the inner line permit (ILP) and to resolve the boundary dispute between Meghalaya and Assam.

## Rinaldo wants govt college in Resubelpara

**Staff Reporter**  
Shillong, Oct 12: GHADC member from Rinrong constituency Rinaldo K Sangma has sought the intervention of the education minister Rakkam A Sangma for the immediate setting up of a government college in Resubelpara, North Garo Hills.

In a memorandum submitted to Rakkam in his office chamber, Rinaldo said that despite a decade's longevity from being upgraded to a full-fledged district, North Garo Hills is home to only one higher education institution which is the Mendipathar (deficit) college, catering to only Arts stream and accommodates only few students in one academic session.

## Paul urges religious institutions to help address drug problem

**Staff Reporter**  
Shillong, Oct 12: Involving religious institutions in the fight against the drug menace is very crucial in the government's effort to nip this problem in the bud, Social Welfare Minister Paul Lyngdoh said today.

After chairing a meeting with the leaders of the Shillong All Faith Forum (SAFF) in his office chamber, Lyngdoh said, "It (the ills of drugs) has to be spoken about within the four walls of the churches, mandirs, and masjids. The congregations will have to be told that we are sitting on top of a volcano and our children's future is under threat."

He said the meeting was a follow-up of the last interactive session he had with all stakeholders including faith leaders.

Lyngdoh added that the various religious institutions wanted to actively support the efforts of the

government of Meghalaya to contain, control and sensitize people especially the young about the pitfalls and the dangers that awaited them if they are involved in the drug menace in any form.

Stating that the religious institutions have decided to come up with a calendar of activities starting from December 5, the minister said, "Just to kick-start the effort, we have proposed to have a day-long seminar and awareness programme (on December 5) involving students of class X up to class XII on the drug scene and

## Blinken visits Israel to show US support

Jerusalem, Oct 12 (IANS): US Secretary of State Antony Blinken on Thursday arrived in Jerusalem to show support after the weekend's deadly attacks by the Hamas, media reports said.

Blinken is expected to seek the release of hostages kidnapped by Hamas, some of whom are American, BBC News reported.

He will also urge restraint and seek safe passage for Gaza's civilians ahead of a possible Israeli ground offensive.

At least 1,200 Israelis died in the attack, and more than 1,100 Palestinians have died in air strikes on Gaza.

Nearly 22 US citizens are also known to have died in Israel.

Hamas, which is designated a terrorist organisation by the US, took up to 150 people hostage when its fighters breached the border fence in several places in the Gaza Strip on Saturday and launched the most serious cross-border attack Israel has faced

in a generation. Blinken met Israeli Prime Minister Isaac Herzog on Thursday morning and is expected to meet Prime Minister Benjamin Netanyahu later on the same day, BBC News reported.

On Friday, he will meet Palestinian President Mahmoud Abbas and Jordan's King Abdullah in the Jordanian capital Amman.

US President Joe Biden earlier said he had made it clear to Netan-

yahu that Israel must operate by the rules of war in its response to Hamas attacks.

He added that Israel had a right and a duty to respond, and called the attacks an "act of sheer evil."

Israel has said that a total blockade — including on food, fuel and other essentials — imposed on Gaza since the attacks would not be lifted until hostages are freed, BBC News reported.

Israel has vowed to an-

nihilate Hamas and has launched a cross-border bombing campaign on the Hamas enclave of 2.4 million people.

Reuters quoted an unnamed US State Department official as saying there were up to 600,000 Palestinian Americans in Gaza, some of whom wanted to leave.

Aid agencies, meanwhile, have been calling for humanitarian corridors to ease the suffering of civilians in Gaza.

## Meghalaya to host International Tourism Mart

**Staff Reporter**  
Shillong, Oct 12: For the first time, Meghalaya is all set to host the International Tourism Mart (ITM) from November 21 to 23.

Announcing this today, Tourism Minister Paul Lyngdoh informed that the 11th edition of the ITM will take place in Shillong for three days.

"This is a very important landmark even because it will be for the first time that Shillong will be hosting the ITM," he said.

Union Tourism Minister GK Reddy will inaugurate the ITM, which will be participated by all states of the North East region.

"We will have international participants from different countries who will be introduced to our crafts, our tourist spots, the activities that we have, the tour operators will be involved so all stakeholders will be part of this," Lyngdoh said while adding that through the event, the department will be able to showcase Meghalaya as a tourist hub at the international level.

## NEHUTA decides to intensify agitation

**Staff Reporter**  
Shillong, Oct 12: The North Eastern Hill University Teachers' Association (NEHUTA) has decided to intensify its agitation by organizing a rally and dharna on Thursday against the alleged "wrong doings" of the incumbent vice chancellor of the University Prof PS Shukla.

A dossier highlighting the extent of violations allegedly done by Prof Shukla within a span of 2 years of being in office was also submitted to the President of India and Union Minister of Education for their necessary intervention.

In a statement issued on Wednesday, NEHUTA president Lakhon Kna said that NEHUTA is fighting this VC to save NEHU at any cost.

"We have decided to organize a Rally and Dharna against the VC. This is a clarion call and all of you

are requested to join us without fail on 12/10/2023 Thursday at 3 pm in front of NEHU Library for the Rally from where we will proceed towards his office for the Dharna to mark our protest," he said while urging the MCTA, NEHUSU, NEHUNSA to extend their support and cooperation.

"We are fighting against all his wrong doings and also to protect our legitimate right as members of the Academic Council which the VC has tried

to trample. If we allow it will set a dangerous precedent, undermining the VC to violate all statutory provisions on different matters concerning our well-being as University fraternity," Prof Kna added.

The president said that the general body meeting of NEHUTA held on October 9 had deliberated on the requisition of the emergency meeting of the Academic Council, which was signed by 100 VC members.
